China Daily Asia Leadership Roundtable

Digital Silk Road: Fostering Regional Cooperation in Technology and Finance for the Belt and Road Initiative

9.00-10.00AM, April 11, 2018
Level 3, Cyberport 3, Hong Kong

The Belt and Road initiative is a powerful platform for cross country collaboration to drive for sustainable development and prosperity. The key to success lies with the use of digital technology to connect tangible projects, serious investors and knowledgeable professionals, and facilitate complex developments into commercially viable and financially manageable projects. Digital technology transcends geographic boundaries and ease market entry, enables SMEs to capture countless opportunities in the new economy and growth of employment opportunities across countries. Hence, the Digital Silk Road is the force that paves the way for reshaping societies across the region.
